

LET'S GO CRUISING – IT'S SUMMER 2024!

Here is a list of various car shows / events for 2024 that may fit for some of the members of Smoke n' Steel. Many of them have not yet been announced so we used the dates from previous years but have changed the date to the closest weekend. If **anyone** out there knows about other show dates for next year or interesting events that we may take it, PLEASE send them to me and we will add them to the list.

Most Trail cruise nights start at A&W @6:30 except the Wednesday cruises when we leave Trail A&W @6:00 to meet up with the Castlegar cars at the Castlegar A&W. Let us make 2024 a great cruising year – get your cars and trucks **OUT!** All dates are subject to weather conditions.
